

Allstate Flood Insurance Coverage

Allstate flood insurance is a separate policy designed specifically to protect your home and personal belongings in the event of a flood.

Unlike standard homeowners insurance, which typically excludes flood damage, Allstate's flood insurance steps in to provide financial relief when water wreaks havoc on your property.

Coverage Options

- **Building Property (Structure) Coverage:**
 - **What It Helps Protect:** The physical structure of your home, including its foundation, plumbing, electrical systems, central air, heating systems, and attached features like bookcases and cabinets.
- **Personal Content Coverage:**
 - **What It Helps Protect:** Your personal belongings inside your home, such as clothing, furniture, electronics, curtains, portable appliances, freezers, and certain valuables (up to specified limits).
